Bethany Eagles Coaches for the 2012-2013 Year!

The new college year is upon us and with that we are looking forward to another great year in our athletics program. We are pleased to announce that all of our coaching positions have been filled for the coming year. We are confident that our coaches will lead our athletes in their journey this year as they strive to integrate their faith with their passion for sport!

Indoor Soccer: New to the Bethany coaching ranks is **Carla Regehr**. Carla will bring her passion for soccer back to Bethany as our head coach of the women's soccer team. She is an alumna of Bethany and understands what it takes to motivate our team to meet their potential and have a good time playing. Returning as our men's coach is **Tim Falk**. Tim has been a pleasure to lead the men in their development toward working as a unit. This has been a passion of his, as this is how he likes to play. He is excited about leading the men with the challenge of moving up a division in the Saskatoon League.

Volleyball: **Dani Klassen** is joined this year by **Sarah Foster** to coach our women's team, while **Rob Braun** is joined by **Luke Heidebrecht** to lead the men's team. Both teams will be competing in PAC again this year. We are excited about what each of these coaches brings in regard to their expertise and passion for volleyball.

Hockey: Returning as our head coach is **Brent Block**, who inspires his team with a strong work ethic and a desire to play to the best of his abilities. Brent will challenge the men to live out their faith on and off the ice. We are thankful that Brent is able to commit to this aspect of the team's lives as he propels them to excellence. As far as Women's hockey is concerned, we hope to get many students involved in some recreational/social hockey as we build toward making something more substantial.

Basketball: **Tasha Fehr**, a former Briercrest Clipper, returns as our head coach. She has a passion for basketball that is visible whenever she nears a court. Her skill development will help lead the team's success this season. Joining her as an assistant is **Jelisa Riediger**, who played during her time at Bethany. Jelisa and Tasha bring a love for both the game and the players they will be leading. **Brendon Johnston** continues to coach the men's team. After coaching last year, he brings a new focus to the team. His desire is for the men to succeed both on the court and in their lives.

Bethany Students: (l-r) Ellaina Brown, Chad Bergen, Braydon Jordheim

Thank you to all coaches for devoting their time, energy, passion, and skills for the benefit of Bethany's athletes!
