

Hello from Bethany!

Exciting events are happening at Bethany College and we want to update you on what God is doing!

Help Name the New Bethany Program

Our fresh start to forming whole and holy disciples starts with a name! Help us **NAME** our new Discipleship Training School and you can win a \$100 Keg gift certificate donated by Comfortek Seating. Follow the link <https://www.surveymonkey.com/r/TNH85HV> to provide your name suggestions for the school before July 29th!

The Transition Team is in Action

The **Bethany Transition Team** is meeting to start implementing the new vision and program in the areas of governance, programming, finance, marketing and facilities. Please pray for energy, creativity and wisdom for the transition team as they round out the details of the program. Our committed volunteers are: Keri Andres, Clark Brotzell, Leanne Schellenberg, Andrew Berg, Wayne Andres, Trevor Rempel, Tessa Schellenberg, Crystal Blair, Tim Wall. We still have gaps to fill on the team; especially in the area of finance...pray for local volunteers to join in!

Praying for Godly Leaders

Pray that God will compel **whole and holy** leaders to consider being staff. The key initial positions we will be hiring:

- Program Director
- Facilities Manager

Success with Campus Work Bees

The Campus work bees have been happening weekly to sort, purge, organize and create clean fresh spaces for the program and partnerships. We had 33 volunteers show up on July 6th!

Please continue to stay connected weekly with our website <http://bethany.sk.ca/> . The Weekly Hub and Praise and Prayer pages are updated regularly!

Thank you for your prayers and financial support as we move forward.

Blessings!
